

Celebrate International Trails Day - *in VB*

Postponed to **June 9** due to rain (*heck - we needed a bit of rain*)

International Trails Day is an annual celebration of trails, trail development and the healthy lifestyle they encourage. It is celebrated each year on the first Saturday in June in over a dozen countries. It promotes public awareness and appreciation for trails. This is a not-to-be-missed opportunity to explore the routing of the Great Trail (*TCT - Trans Canada Trail*) within Victoria Beach.

It's all happening at the:

Victoria Beach Community Centre
Saturday June 9th, 2018.

Come on out - have breakfast, get some exercise and fresh air, rediscover the beauty of Victoria Beach while supporting your local volunteer community groups.

A few tips on enjoying the trails:

Dress for the weather

Bring bug spray

Don't forget water

Please stick to the trails

Dogs should be on a leash

Cyclists should wear helmets

Mountain bikes are **strongly** recommended

Please note: we will not be using Hwy 59 or going to Albert Beach on this day. We will be exploring the TCT routing within the VB peninsula. The surface of the trails has not been improved as yet, as this is dependent on pending funding. However, we are cautiously optimistic, that trail development will begin this summer.

*You can enjoy the trails anywhere at any time
They are there for you to enjoy – forever.*

The VBTA Victoria Beach Trail Association is an ad-hoc committee to the RRNTA Red River North Trail Association that has championed the Great Trail (TCT) through 10 municipalities.
